## Racial Profiling Study Commission Meetings

In July of 2008 the Sacramento Police Department initiated a comprehensive study of traffic stops to address perceptions of racial profiling.

That Study has been completed, and the detailed findings will be presented to the City Council at the 6 pm meeting on Tuesday, August 12.

In addition to those meetings the Sacramento Branch NAACP would like to invite you to attend follow-up meetings that will be identical and be hosted at three different dates and locations.

At each of these meetings, you will have an opportunity to hear a thorough report from the consultant and to learn how the Police Department has addressed and will continue to address the Study findings.

The Meeting times are:

Wednesday, August 13, 6 p.m.  
South Natomas Community Center  
2921 Truxel Road  
Moderated by Dr. David Covin

Friday, August 15, 6 p.m.  
Samuel Pannel Meadowview Community Center  
2450 Meadowview Road  
Moderated by Kelly Montgomery

Thursday, August 14, 6 p.m.  
Oak Park Community Center  
3425 Martin Luther King, Jr. Blvd  
Moderated by Judge Troy Nunley
